What Residents are Saying

AC.

"Living at The Upland was the greatest experience. Having lived in Los Angeles and New York I was surprised to find such a gorgeous and well-kept building in the Inland Empire. My unit in particular had a view of the nature trails and provided a serene tranquil experience. In addition, the area is walkable to restaurants, shopping, and the building gym is kept up well. The entire team that runs the property and the leasing director Tara are like family. They always responded to emails and went out of their way to take care of tenants. From the time I moved in until my departure the living experience was five stars."

Live Well

Scary-A-Faire

The Upland is joining the City of Upland for the annual Scary-A-Faire Celebration in Historic Downtown Upland! This eek-tastic, safe, and family-friendly event will include games, food vendors, contests, costume contests (for your favorite canine, too!), tons of fun, and course...trick-or-treating! We will be handing out 4,000 pieces of candy at this celebration!

This event is a perfectly SPOOK-TACULAR way to connect with the community and advertise your business, organization, or service club free of charge. It is highly attended by 4000 children and families each year.
