What They're Saying

JP

"The management team goes above and beyond for their residents. Andrew, Tara, Donnie the maintenance team, and our wonderful cleaning staff are all incredibly welcoming,

friendly, and genuinely caring. They always greet you with a smile and are quick to help with anything you need. You can tell they truly care about making this a great place to live.

One of the things I appreciate most is how much effort they put into building a real sense of community. They are constantly organizing resident events, contests, and fun activities that bring everyone together. It's such a thoughtful touch and makes living here feel much more than just renting an apartment.

The property is always beautiful, clean, and well maintained. The team is continuously making improvements and updating the community to keep it looking its best. I also want to give a special shoutout to the cleaning staff. This is a very pet-friendly community, yet the grounds are cleaned daily and are always spotless. Even with so many dogs, the property never has that unpleasant pet odor you find at many other apartment complexes. Their hard work definitely does not go unnoticed."

Pet Of The Month

Bino & Coco

Meet Upland's Pets of the Month: Bino & Coco!

There's a good chance you've heard Bino before you've ever seen him! He's our tiny Maltipoo with a huge personality and an even bigger bark—finally putting a face to the neighborhood's unofficial security system. Then there's Coco, our cautious queen of a Boxer mix, who is the complete opposite. While Bino is busy convincing everyone he's the toughest dog on the block, Coco likes to take her time, quietly observing the scene before deciding if it's worth her royal attention. They couldn't be more different, but they are the absolute perfect pair and the heart of our family. At the end of the day, these two sweet, loving pups keep us laughing daily and make Upland truly feel like home!
