We're excited to introduce a new addition to life at The Upland: our very own Micro Mart! This stylish new fridge is stocked with fresh, local offerings, including healthy meal prep options from Prep Life, delicious bakery treats from our talented resident baker [@cheiro_doce0](#), and rotating goodies from other local favorites. And don't miss the fresh coffee stocked by our resident barista every Wednesday and Saturday morning—get there early, as it sells out fast! It's another way we're making everyday living a little tastier (and more convenient) at The Upland.

Live Well

Upland is hosting a fun and impactful Earth Day celebration on Saturday, April 26, from 9:00 a.m. to 12:00 p.m. at Greenbelt Park! This eco-friendly event will feature educational booths, sustainable crafts and games, E-waste recycling, paper shredding, and bulky item disposal (accepted items include appliances, metal, sofas, mattresses, furniture, and paper). Upland residents can also enjoy free compost and mulch while supplies last—bring a shovel and container (plastic bags are not allowed). It's a great way to celebrate the planet and help keep the community clean and green!
