What They're Saying

XM.

"I have lived here for almost a year now, and I never would have move out if I'm not leaving CA. The lease team and every resident are

all so nice and welcoming. I lived at 4 different apartments all across the country in the past 4 years, and here is the only place I felt like home. How the team members from leasing office to maintainable team remember every resident's name is unbelievable, it never happens to me at other places. This apartment is also truly pet-friendly, my puppy literally makes a lot of friends here! Before I moved here, I saw a review said this is the best place they ever lived, and I made the decision because of that review. Now a year later, I'm here writing this and hope someone would make the same decision and have a great time here."

Investing in the Moments That Matter to You

At The Upland, bringing our absolute best to your everyday living experience is our top priority. That is why our leadership team recently gathered for an intensive, two-day hospitality and service workshop. We focused entirely on the moments that matter most to you—from making leasing tours and renewals seamless, to ensuring our maintenance follow-ups and daily communication are as helpful and friendly as possible.

Our team is incredibly excited to implement these elevated service standards right here at home, continuing our commitment to creating a warm, vibrant, and deeply connected community for all of our residents at The Upland.

Pet Of The Month

Skye

Meet Our Adorable Pet of the Month: Skye!

We are thrilled to introduce Skye, our adorable 1-year-old Golden Retriever! Skye is the ultimate social butterfly—she absolutely loves belly rubs and makes it her personal mission to become best friends with every single person and pup she meets. She is incredibly curious and likes to keep tabs on all the neighborhood action, so if you happen to catch her watching you from the patio, don't be shy—feel free to give her a friendly wave or say hello!

While she is normally full of brave, playful energy, there is one thing that will stop her completely in her tracks: the neighborhood trash truck. The moment it rolls into view, Skye immediately retreats to her safest hiding spot until the coast is completely clear! Otherwise, she is always out and about looking for adventure. If you see this sweet girl passing by on her daily walks, please stop by to say hello—she will be absolutely itching to meet you and would love nothing more than a few extra pets!
