What They're Saying

JR

"Had a great experience living at The Upland for a year! Unfortunately, we had to move due to a job relocation; otherwise, the best apartment team we've experienced. The management team is professional, responsive, and does a great job keeping the community running smoothly. A special shoutout to the maintenance team for their excellent work. They're always courteous, efficient, and quick to address work orders. The entire team clearly takes pride in maintaining the property and providing a positive experience for residents. Overall, a great community with an even better team behind it. Highly recommend!"

Pet Of The Month

November Pet of the Month | Meet Milo!

Almost Three, Forever a Puppy at Heart!

Meet Milo, The Upland's adorable Maltipoo and self-appointed neighborhood greeter! This little bundle of excitement turns three in February, but don't tell him that—he's still convinced he's a puppy! Milo loves absolutely everyone, and if you've ever passed him on a walk, you've probably witnessed his signature happy hops and enthusiastic hellos!

When he's not busy making friends, you'll find him cuddled up with his favorite stuffed lamb. It's missing a leg and an ear, but to Milo, it's absolutely perfect. That's his bestie, and he falls asleep with it every day!

A little anxious, a little picky about his treats, and completely devoted to his momma, Milo is pure love wrapped in fluffy fur.

If you see Milo around The Upland, be sure to say hello! The barking and bouncing are just his way of saying, "Can we be best friends?"
