Looking Back

Flavors of Fall at The Upland

Pumpkin cold brews, pastries fresh from our resident barista, and cozy gifts like Bath & Body Works candles set the scene for a perfect autumn gathering. With nearly 40 neighbors joining in, it was all about warm sips, sweet treats, and community vibes.

What They're Saying

TV.

"I lived at The Upland for 3 years and it was a wonderful place to call home. The management team was always quick to respond to any requests or questions, which made living here stress-free.

Special shout-out to Tara and Andrew, who have saved me on multiple occasions (Tara went out of her way to help me when I locked myself out, and Andrew patiently opened every single Amazon locker to track down an important missing package)! Their dedication and professionalism truly made a difference.

Huge thanks to the entire Upland team for creating such a welcoming community — they deserve recognition for all their hard work!"

Rocket, Peanut, and Rocky

The Dachshund Trio: Rocket, Peanut, and Rocky

Meet the three dachshund brothers, Rocket, Peanut, and Rocky—the crazy crew that brings big energy to The Upland! Their play dates are a perfect mix of chaos and charm: While Peanut and Rocky run amok, sweet and stoic Rocket is the good protector who watches the fun.
