Pet Of The Month

Bean

This month, we're delighted to introduce our Upland Pet of the Month, the one and only Bean! At four years young, Bean may seem shy at first, but this sweet cat is truly a big baby at heart. Once he gets to know you, he's a huge fan of cuddles and pets—but always on his own terms, of course! You can often spot him soaking up the sun during a nap or enjoying a good people-watching session from his favorite window perch. What makes Bean extra special is his love for playing fetch! He's always ready to retrieve a crinkled ball or twist tie, proving he might just be part dog after all. Be sure to say hello if you see this lovable furball around!

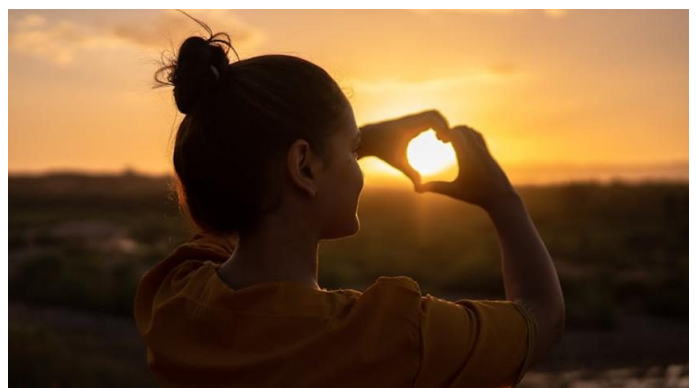

Live Well

North Coast Makes An Impact

Our Summer Food Drive was a huge success, **raising \$6,990 in donations, equivalent to 23,300 pounds of food.** With North Coast Living's match, the total doubled to 46,600 pounds. Combined with past donations of 85,892 pounds, we've now given an impressive 132,492 pounds of food. Congratulations to Kearney Plaza (1st), Vilara (2nd), and Barham Villas (3rd). These drives have a lasting impact on our communities.
