What They're Saying

K

"The apartment is beautiful, comfortable, fully equipped and well-maintained, and I really appreciate how clean and well-cared-for the community is. The location is also wonderful and convenient, with easy access to shopping, grocery stores, restaurants, parks, and everything I need in my daily life. After living here for a full year, I can honestly say that if you want to find a place that's both peaceful and convenient, the Upland apartment is the best in the whole Inland Empire area.

Moving to a new place is always a big decision, and I feel very fortunate that I chose the Upland apartment. The staff here, Tara and Andrew are extremely professional, friendly and helpful to make living here the best experience possible. There are always activities to keep the community close and feel like a family. In fact, I've enjoyed living here so much that I've decided to stay for another year. Sometimes you find a place to live, and sometimes you find a place that simply feels right. For me, this has been the latter."

Cruisin' Into Details!

Pet Of The Month

Kiki

Our featured pet for September is the regal and affectionate KiKi!

As a show-dog breed with royal roots, KiKi carries herself with total class and poise. She's a deeply loyal lap dog who picks her person and stays by their side through it all. When she isn't enjoying her 16 hours of beauty sleep or sitting patiently for her grooming sessions, you can find her hopping like a bunny after toys and enjoying her favorite treat: blueberries!

We are so happy to have you in our community, KiKi!
